ABOUT US

At TS Global, we pride ourselves on being a leading name in the agricultural export industry. Established in 2023 and based in Bhavnagar, India, we specialize in providing high-quality agricultural products to global markets. With a commitment to excellence and a customer-centric approach, TS Global has quickly gained recognition as a trusted supplier of essential commodities. Our portfolio includes premium pulses, fresh and dehydrated onions and garlic, rice, maize, millets, and other agricultural products. Our dedication to quality and sustainability has earned us the prestigious APEDA.
